RE: Application No. 09/924,227
Blair et al.
Assignee: Visioneer, Inc.

Dear Sir or Madam:

Examiner Worku contacted us regarding this Application, and some confusion regarding the prosecution. Our former counsel, Jacques Dulin, was released from this case and filed an appropriate withdrawal in June of 2005. At such time, we elected to prosecute the case as Assignee of the entire interest.

The Inventor, who is also a contractor for Visioneer, has been communicating with Examiner Worku on several Office Actions, with our approval. We are now informed that the case is set to be abandoned. Due to the confusion, and only recent notice of the issue, we are resubmitting the RCE, Amendment, and PTO SB/22 signed by us as Assignee. The fees have already been paid.

Though the Inventor did have permission as a Visioneer contractor to work with Examiner Worku, we understand that this correction may adhere to USPTO policy more effectively.

Please accept the enclosed and allow Examiner Worku to continue to examine this Application.

Thank you in advance for your attention to this reply, and please contact me should you have questions.

Sincerely,

Diane van Os
